GATOR

{Partner Name} for FREE! How?

In order to give you {PARTNER NAME} for free, we are paid to distribute other's software applications from partners. This version of {PARTNER NAME} includes Gator and OfferCompanion.

Gator, the Web's most popular digital wallet, automatically fills in your passwords and online forms with NO typing. OfferCompanion delivers relevant offers and desktop banner information. Both are provided free and are supported by occasionally delivering advertisements and informational messages based on the sites you visit.

After installation is complete, you will receive more information about Gator and OfferCompanion's software.

☒ Install {PARTNER NAME} with Gator and OfferCompanion
